

About Activate Learning

Activate Learning is a forward-thinking education group that aims for far-reaching, progressive change and impact through learning. We work with learners as individuals, helping them make the choice of course and career pathway that's right for them.

Our mission is to provide work-ready talent for business, and to transform lives through our [Learning Philosophy](#).

At Activate Learning, we work closely with employers to identify the characteristics and skills they are looking for in potential employees. These desirable attributes help to form our learning programmes, ensuring your future employability is a focus throughout your studies.
